“Got all the images, and I must admit, they are juicy. Nice work, great color, gorgeous composition. Really impressive.”

- Joe Luczkowski, GE Water & Process Technologies, Senior Event Planner and Multi-media Manager at Metro Atlanta Chamber of Commerce

“Carroll was great to work with – really appreciated that he took the time to go ‘size up’ the space where our group photo would be taken in advance of day of shoot. The photos were of excellent quality & meeting our turn-around requirements was a huge plus. Thank you for everything, we will definitely call upon you on our return trips to Atlanta!”

- Anne Racine, A.T. Kearney, Inc.
at The Mansion on Peachtree

“My boss just looked at the pictures and was raving about what a great job you did. She is extremely pleased with the results. She said that the pictures are the best she has seen of any of our corporate meetings of this type. We were both amazed at how ‘invisible’ you were. Great, great job!”

- Bill Seiberlich, Saint-Gobain Corporation, Communications Manager
at the InterContinental Buckhead

“Rick Smith, CEO of Equifax, hosted the 3rd annual VIP Dinner for the Metro Atlanta Chamber of Commerce’s Atlanta Champions Invitational. The essence of the event was captured in Carroll’s work as he exuded professionalism that evening while shooting some of Atlanta’s well-respected, corporate leaders. We are still receiving compliments about the photos from our guests and we look forward to working with Carroll again on future Chamber events.”

- Katie Mills, Metro Atlanta Chamber of Commerce, Senior Projects Coordinator
at Rick & Joan Smith’s home

“Sigma Phi Epsilon held it’s biannual convention in Atlanta. 4 intense days, a grueling schedule of early mornings and late nights. With little direction from my end, the outcome is fantastic! Exactly what I couldn’t put into words, it was put into pictures! The emotion of this event was completely captured. Carroll was fantastic! I’m blown away by the compliments we are getting from our members! Great photos, Great service, absolutely an excellent ROI. We are very pleased!”

- David Graziano, Sigma Phi Epsilon Conclave Director
at the Hyatt Regency Atlanta, The Frog Golf Club

“I just wanted to write and tell you how pleased I am with the photos you did at SigEp’s 50th Grand Chapter Conclave. It is a crazy, beast of an event, and hard to capture photographically. Besides artfully covering the “must-haves,” you also got some wonderful candid moments in ways that words just can’t, and in a difficult shooting environment.”
